

# THE ARKANSAS ULTRA RUNNER

December 1994

*A Newsletter for the Arkansas Ultra Running Assoc.*

**OBITUARY**-After several resurrections, the AURA newsletter computer went *caput*. The hard disk crashed and along with it went all the notes, files, lists and, most importantly, points. What is left is a portion of a word processing program that is allowing me to squeak a few announcements. No way to edit: *noway* to be in control. All is lost. The BigShot has proven to be mortal.

## AURA CHRISTMAS PARTY

The annual AURA Christmas party is scheduled for December 10th at Grady's restaurant party room. 6:00 P.M. The Christmas theme is "*A Salute to the GOOD MEN of the AURA.*" This will be a Roast and Toast format. If you want to pay tribute to a **GOOD MAN**, this is your chance. Plan your program now. Come early for a good seat. Also, if you want to improve your service, call ahead with your order.

## ULTRA TRAIL SERIES

On December 10th, we will have the 21 mile *10-9-10 Adventure Run*. 7:00 A.M. start from the Lake Maumelle

picnic park approximately 18 miles west on Hwy 10 from the Hwy 10/I-430 overpass. This will be out and back on the Ouachita Trail. Water at the turnaround.

### CHRISTMAS DAY FUN RUN

Lou and I will be running the Ouachita Trail from Hwy 10 west from the Lake Maumelle picnic area starting at 7:00 A.M. Christmas morning. Out and back one hour. No aid. Note: The same start as the 10-9-10 Run.

\*\*\*\*\*

Hopefully by a few weeks we will be up and running with a new computer. Stay tuned for a big issue on the December Ultra runs.

Warm Regards. →

*Big shot.*
